SUMMER ENROLLMENT:
- Summer Financial Aid (grants, loans, scholarships) will be processed based on half time enrollment for undergraduate and graduate students. Students do not have to be preregistered for summer credits to apply for summer financial aid.
- Undergraduate students must be enrolled in undergraduate courses and Graduate students must be enrolled in graduate courses to receive financial aid.
- Repeated coursework may not be eligible for financial aid. Courses you have taken and “passed” with a grade of “D” or better may not count towards the definition of half time for financial aid.
- Students enrolled in thesis/dissertation courses (7000 or 9000) are considered full-time for financial aid purposes.
- If you change your enrollment, you must notify the Financial Aid Office of those changes. Your aid may be reduced or cancelled.
- If you fail to enroll in a minimum of six (6) semester hours as an undergraduate or five (5) semester hours as a graduate your financial aid will be cancelled. Any money that has been disbursed to your student account will be retracted and you may owe East Carolina University a balance.
- Students planning to take courses at schools other than ECU summer 2022 must plan to pay for those courses out of pocket. Students must submit the Permission for Undergraduate Students to Take Courses from U.S. College/Universities Other Than East Carolina University form in addition to the 2022 Summer School application. Students must be taking at least one summer course at ECU to be considered for financial aid through a consortium agreement.
