

All students are assigned an estimated cost of attendance (COA) each academic year that includes expenses for tuition/fees, room/board, books/supplies, transportation, and personal expenses. Students who are studying abroad are likely to incur additional expenses outside of their normal COA. **Students who would like to have their abroad expenses considered in their COA, should complete this form and attach official documentation from the Program they are attending, containing estimated cost for each expense to be considered.** Your request will not be considered until ECU Office of Student Financial Aid receives all required information.

This form should be submitted by students who are financial aid recipients after being accepted into an ECU affiliated and approved Study Abroad program through ECU Office of Global Affairs (Bilateral Exchange, ISEP, UNCEP, Consortium, Non-ECU approved program or Semester Faculty-Led Program).

Please note, an increase in your COA may not result in a change to your financial aid award. In most cases, the increase will allow a student or parent to apply for additional loans (i.e. Stafford, Parent PLUS, Graduate PLUS, Alternative/Private) to assist with Program expenses. Also, the Office of Student Financial Aid will do its best to process your request quickly, please be reminded that **you are responsible for ensuring that you meet all program funding deadlines.**
